

# HIGH OCTANE FOR THE GLOBAL SUPPLY CHAIN

GLOBAL PARTNERS

Where connecting small trading partners is the last big challenge, you'll find us delivering remarkably fast implementations  
– with solutions that create shorter production times, faster order fulfillment, lower inventory costs, and more.

**SEEBURGER**  
BUSINESS INTEGRATION

*Global Collaboration Meets Seamless Integration*

---

SEEBURGER's B2B gateway is enabling more than 6,500 companies worldwide to meet the challenges of a global economy. In fact, our customers often realize:

- **100% Trading Partner Integration.** SEEBURGER automates small trading partners—affordably.
- **500% Efficiency Improvements.** SEEBURGER drives out paper and turns expenses into profits.

Gartner ranks SEEBURGER as Leader in its Magic Quadrant Report for B2B Gateway Providers.

To find out how SEEBURGER is transforming the supply chain of one of the world's leading automakers, view our webcast, [title], at [www.seeburger.com/page](http://www.seeburger.com/page).
